ABOUT THE INSTITUTE

IIIT SENAPATI

Indian Institute of Information Technology Manipur (IIITM) is an institution under MHRD, Govt. of India. IIITM was established in 2015 in order to develop Manipur as preferred destination for Information Technology (IT) related manpower and industry. This shall enable Manipur to gear up for providing IT related services as well as high-quality Research & Development in IT. IIITM offers B. Tech programs in two disciplines, Computer Science and Engineering (CSE) and Electronics and Communication Engineering (ECE) from its transit campus located at Mantripukhri, Opposite of Software Technology Park, Imphal. The campus holds classrooms, labs, faculty rooms, seminar hall, playground, faculty quarters, guest house and administrative offices.

IIITM is one of the 20 IIITs set up by the Central Govt. in PPP mode. IIITM strives to be attentive to academic needs of every student. Classes are conveniently scheduled between 8 A.M. to 4:30 P. M. Every class room is well maintained and has projection facilities.

IIITM is mentored by IIT Guwahati, Interim Director **Prof. Amarendra Das** is actively working and the transit complex is provided with all required infrastructure for overall development of the institute. IIITM is also looking for private/industry partner for the institute. IIITM is looking for opportunities to spread IT education to Myanmar by providing required facilities to students of that country to study in IIITM through bi-lateral agreements.

Director's Message

Dr Amarendra Kumar Das

Established in 2015, Indian Institute of Information Technology Senapati, Manipur, an institution of national importance under MHRD PPP-mode that nurtures its current students in terms of technical, mental and personality development to uplift Manipur as a preferred destination for the aspiring IT engineers in near future. Being a new institute, the campus holds classrooms, laboratories, conference hall, playground, faculty quarters, guest house and own administrative offices. The excellent student-faculty ratio enables 360-degree technical supervision and personal development to each student. I, on behalf of IIIT Senapati, Manipur invite organizations to visit our institute for campus recruitment.
